MK PUPILS LEAD THE WAY IN SCHOOL SPORTS

Milton Keynes Council is one of the top 10 local authorities in the country successfully encouraging students to take part in physical education and school sport.

The latest Physical Education, School Sport and Young People (PEYSSP) survey shows that 95 per cent of young people are taking part in two hours PE and school sport per week. This places Milton Keynes 8th highest in the UK.

Other headlines from the survey revealed that in Milton Keynes:

55% of young people are taking part in three hours of PE and school sport per week-up 11% from 2009

55% of young people are involved in inter school competitions – up 8% from 2009 and

36% of young people are involved in sports leadership and volunteering - up 7% from 2009.

LibDem Ward Councillor and school governor Alan Richards said, “I am delighted that children in Milton Keynes are getting a rounded education, with fitness and sport playing an important role in the school curriculum”. This is especially important when childhood obesity is a growing problem in the UK, because some young people simply do not get enough exercise. It is also good to see that volunteering is on the increase amongst our young people.”

LOCAL AREA NEWS FLASH

PENNYLAND PLAY AREA

Cllr Alan Richards said " Last year, after ward councillor representation, the Pennyland Play Area was included into the Playbuilder improvement scheme, but due to necessary expenditure cuts by government, this scheme was put in doubt."

Extra essential money was provided by the **Liberal Democrat** run Milton Keynes Council supported by your **LIBDEM Ward Councillors** and Great Linford Parish Council’s bid to WREN (Waste Recycling Environmental Ltd). The application was successful and we now have the money to carry out the work.

Your local **Liberal Democrat Ward Councillors Alan Richards and Christine Zealley** are absolutely delighted that the Pennyland play area will at last have the improvements it badly needs.
