EXTRA MONEY FOR POTHOLES

Lib Dem campaigner **Dave Howlett** is urging residents to report remaining unfilled potholes.

MK Council is making real progress. Over 8,000 of MK's potholes have been filled in over the past year. The **new planing machine** is at work on the grid roads, improving large damaged surfaces quickly. Improvements are taking place on the **H5,V9 and V10** in late March/early April—thank you for bearing with temporary road closures. Once the priority grid roads are improved, estate roads will be next in line.

Dave Howlett said: "It's clear the Liberal Democrats are committed to **repairing potholes as a priority**—good progress is being made after two bad winters."

MK Council awarded an extra £654k to spend on road repairs this year!

Handing Over To Dave

Cllr. Alan Mallyon is standing down after four years as your ward councillor.

Alan writes: "It's been a privilege to serve. **Thank you** to everyone who has worked with me improving our area. My highlight on the council has been working on integrated public transport plans as the Cabinet Member—we now have to make sure we deliver on them.

I know that **Dave Howlett** will work tirelessly for our estates and ask you to vote for him on May 5th. We need to elect another Liberal Democrat councillor here to keep up the good work."

Election: Thursday 5th May- It's a two horse race in Linford South

This is always one of the most marginal wards in Milton Keynes, and we expect another tight finish between Lib Dem **Dave Howlett** and the Conservative candidate in these elections.

One thing is clear, Labour cannot win Linford South Ward. They are working in other wards where they want to win—you've seen nothing from them as they are not fighting here.

Only a vote for hard-working **Dave Howlett** will beat the Tories in this area.

Dave Howlett is urging residents of Sakura Walk, Lovat Fields Village and the Camphill Community to support the council's proposals for lane-widening at the V10/Japonica Lane junction.

Three top priorities for Dave Howlett & MK Liberal Democrats.

The Liberal Democrat council will continue to make a difference to local people, It will:

- ◆ Protect our environment by increasing recycling, landscaping and street cleaning.
- ◆ Continue to give older people the help they need to keep their independence.
- ◆ Expand the programme of road, pavement and redway repairs, after two bad winters.
